

SECRET

16 June 1981

MEMORANDUM FOR: Chief, Policy and Plans Group

25X1 FROM:

[REDACTED]
Chief of Operations (PIAS)

SUBJECT: Items for the DDA Log
10-16 June 1981

25X1 1. On 10 June 1981, a member of the Safety Group (SG) accompanied by two architects from OL/RECD, met with representatives of the A&E firm commissioned to design the renovations [REDACTED] to discuss design requirements for a fire detection and fire suppression system in selected portions of the building. (U)

25X1 2. On 11 June 1981, a member of SG met with [REDACTED] 25X1 [REDACTED] to conduct an exterior lighting survey of the walkways surrounding the buildings. Results of the survey indicated that there were several areas adjacent [REDACTED] that needed increased illumination. The [REDACTED] 25X1 has ordered two mercury vapor lights which, when installed, should increase the illumination of the walkways. (U) 25X1

3. A member of SG is attending the 10-day Occupational Safety and Health Course for other federal agencies at the Occupational Safety and Health Administration Training Institute, Des Plaines, Illinois. (U)

25X1 4. On 11 June, a representative of Information Systems Security Group (ISSG) attended a meeting of the NFIB Computer Security Subcommittee. This was the first seminar under the new chairman, [REDACTED] chairman of the Security Committee, addressed the subcommittee suggesting goals and priorities for future seminars and announced the creation of a 250K C.S.S. funding mechanism for FY 83 contracts in the computer security area.
